Standard Cab

FULL SIZED TRUCK

Ram style front end with set-back headlamps and massive grille [chrome or painted]

DoubleCab

Short rear doors are hinged at B-post (open normally) and have w/external handles integrated into rear door edge. More rear seat and cabin space than all other full-size 4-dr XC trucks. *Replaces the AccessCab.*

CrewMax

Large rear doors with normal external door handles. More rear seat and cabin space than F150/SuperCrew, Silverado/Crew & Ram/Quad (not quite as large as Ram/Mega).

2006 Toyota Tundra 2000-06 Body

Almost full sized truck. Will be sold through part of 2007 as a 2006 carry-over.

AccessCab

Reverse opening Short rear doors, hinged at C-post (suicide doors). Normal external handles at the front edge.

DoubleCab

Almost full size rear doors are hinged at B-pillars (open normally) and have normal external handles integrated.
