## INSTALLATION PROCEDURE

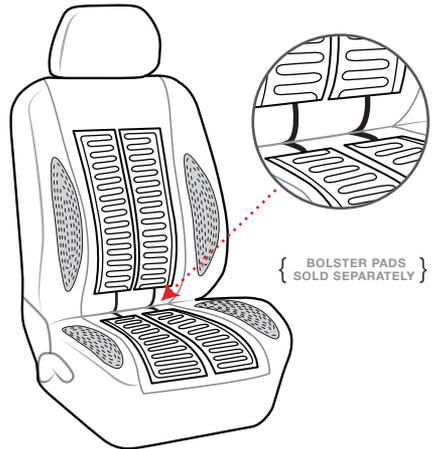

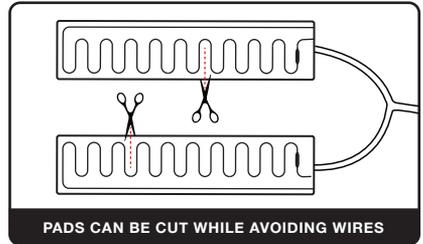

**CAUTIONS :** Only install heat pads under seat covers that are in good condition; ie. no rips, tears, holes, etc. This is to ensure safety of the passenger and performance of the seat heater.

1. Follow the installation procedure to Step-5 in SH-R-03 (Carbon Fiber- Seat Heater) manual. After the seat cover is removed, place the split pads on seat cushion with black foam facing out and adhesive tape facing the cushion.

2. Place heating pads on bare foam of both backrest and seat bottom. Write down Pad number on Product Registration Procedure Card. Align pads so that wire sockets go between backrest and seat bottom as shown.

3. Remove the adhesive tape backing from the bottom side of the pad and carefully place the pad on the seat in the desired location. **Make sure the pad is not bent or folded.** This step is crucial in maintaining safety and warranty of this product.

4. Now install the bolster pads (if any) and follow the wire connection as shown on the left.

**NOTICE :** If you are installing bolster pads ONLY, the connections will remain same. Ignore the connection to regular heat pads and secure all loose wires and connectors. Do not cut off the unused connector as it may cause short circuit and will void warranty.

5. Continue to step 10 in the installation guide for SH-R-03 (Carbon Fiber Seat Heater).

### IMPORTANT

Please register your product within 30 days after installation or you MUST retain the proof of purchase to claim warranty. Please follow guidelines on the last page to register your product.

# WARRANTY ( LIMITED NON-TRANSFERABLE)

- ▶ PACIFIC RESTYLING SEAT HEATERS ARE WARRANTED TO BE FREE OF DEFECTS IN MATERIALS AND WORKMANSHIP FOR A TERM OF **3 YEARS OR 60,000 KMS** (36,000 MI), WHICHEVER OCCURS FIRST. IT IS EXTENDED TO THE "ORIGINAL-END USER" OF THE VEHICLE AND IS **NOT TRANSFERABLE**.

## THE FOLLOWING VOIDS THIS WARRANTY:

1. If the "Installation Guidelines", "Pad Alteration - Procedure", and "User Safety Instructions" of this handbook are not followed completely and accurately.
2. Any unauthorized repair made to the seat heater.

## WARRANTY LIMITATIONS:

1. Replacement Parts are covered for six months or the remainder of the original warranty period - whichever is longer.
2. In case of burns on seat cover and foam, only the parts are covered and not the labor.
3. Damage to product in transit is not covered. This claim must be filed with courier.

### OWNER'S RESPONSIBILITY:

Proof of purchase must be retained to claim warranty. Warranty is only valid if your product is registered within 30 days after installation.
