Dark Gray Tint  
High Performance  
Glass

◀ **FUNSPORT® II** pop-up sunroofs are styled to enhance your vehicle's appearance. It's gracefully curved leading edge follows the shape of the windshield, while sharp radius corners, rectangular OEM style hardware, and neatly trimmed interior provide a factory installed appearance.

The frames are finished with durable satin black powder-coat paint, and glass is available either dot printed or dark gray tint high performance.

Choice of three versatile sizes to fit most vehicles: slimline (14"x32"), medium (17"x32") and large (19"x34")

▼ **FUNSPORT® 1530** is our economy model, featuring a traditionally styled straight front shape. It shares the same high quality components and superb design features as our FUNSPORT® II at a more modest price. Size small (15"x30")

All models feature a multi-stage handle that automatically locks into each of 5 positions. Both the handle and the locking front hinges are quick-release to make removal and reinstallation of the glass panel fast and easy.

Enjoy the great outdoors...  
put a little fun in your roof!
