

DONMAR

VST

Tilt and Slide Sunroof

The sunroof solution for people who want an open air sunroof, but don't want the nuisance of removing the glass of a typical pop-up sunroof.

The *DONMAR VST* vents like a pop-up, but also provides an opening like an electric sunroof. *All you do is rotate the handle.*

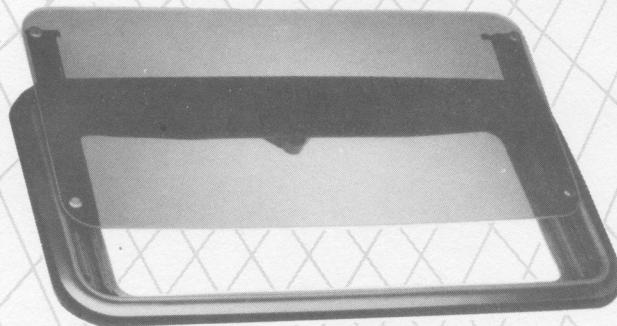

Priced to compete with pop-ups, the *DONMAR VST* is perfect for any vehicle.

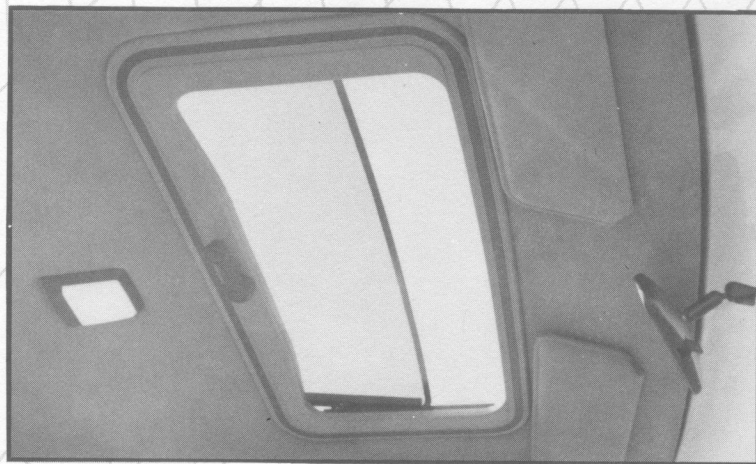

Vents like a pop-up sunroof.

NOW AVAILABLE

ELECTRIC

Slides for a complete open air feeling.

See your Authorized DONMAR Dealer for a custom installation.

FEATURES

- Low profile, flush mount design
- O.E.M. styled bow front
- Tight radius corners
- Matrix glass blocks out heat
- Neatly trims any headlining
- Watertight silicone seal
- Size 16"x31" fits most vehicles
- Easy crank operation
